The Pumpkin Field.

Though sharp the morn with autumn frost and chill the early air.

The mellow sun gives promise of a day superbly fair.

What etchings of the shade and light! What matchless tints are born

Each moment in the mighty field of pumpkins and of corn!

The corn shocks rustle dreamily, as if they whispered low

The story of the summer who was here a space ago.

And gleaming in the autumn sun, to eager eyes revealed,

Big tawny globes repose at ease about the pumpkin field.

The cool, soft dew of rosy June, the fervor of July,

When copper pointed shafts were flung from out a seething sky.

The tranquil glow of August with her warmly fragrant tears

Have wrought their mingled flavor in those yellow rinded spheres.

And, oh, delicious vision of the luxury to be

When wind and frost shall shake the leaves from every hapless tree,

When, holding for the household band a radiant surprise,

The board shall creak beneath the weight of rosy pumpkin pies!

NATURE'S OWN CURE.

Hyomel Cures Catarrh Without Dangerous Drugging of the Stomach.

Not until Hyomel was discovered has it been possible to truthfully say that a remedy for catarrh was known.

This remedy is breathed through the Hyomel inhaler for a few minutes four times a day, and during that time every particle of air taken into the air passages and lungs is impregnated with the germ-killing and health-giving Hyomel. It is the only treatment that cures catarrh.

Stomach drugging often causes disordered digestion or brings on some other disease and never makes a permanent cure of catarrh. Hyomel not only kills the germs in the throat and nose, but penetrates to the minutest air cells in the lungs and enters the blood with the oxygen, killing the germs in the blood. It frees the mucous membrane from poisonous microbes and gives perfect health.

A complete outfit costs but \$1.00, and includes an inhaler, dropper and sufficient Hyomel for several weeks' treatment.

Hickert & Wells have so much faith in the merit of Hyomel that they agree to return the money to any purchaser who may be dissatisfied.
